## ICONIC GLEN ECHO PARK

This year's event will be saluting our honorees at the iconic Glen Echo Park. The park, which first opened in 1891, is now owned by the National Park Service and operated as a cultural attraction in Montgomery County. In addition to the Best of Maryland Awards ceremony which will be held in the bumper car pavilion and we will also open the historic Dentzel Carousel for the enjoyment of our guests.

Built in 1921, the musical carousel is a Philadelphia style, menagerie carousel with large, elegantly decorated standing animals on the outside row plus two inside rows of mechanically jumping animals. From 1983 to 2003, the park undertook a meticulous restoration of the carousel and its sound system. The animals, which include hand-carved wooden lions, tigers, deer, giraffes, ostriches, llamas, and rabbits, were then repainted in their original colors and designs. The carousel is individually listed on the National Register of Historic Places.

The Best of Maryland Awards is Preservation Maryland's event that celebrates the accomplishments of our honorees with a brief program of recognition followed by casual food, beer and wine, lively music, toasts, and this year, rides on the historic carousel.
